INTRODUCTION

Please read this manual carefully and thoroughly before using the equipment to understand how to operate it properly. The information is provided for reference only; due to updates, there may be differences. The images shown are for illustration purposes. The product's design and functionality may vary without prior notice.

BOX CONTENTS

Set of 2 stainless steel cups and 2 spoons

SAFETY AND WARNINGS

⚠ To ensure the safe use of this product, please observe the following precautions and warnings:

- **Choking hazard:** This product is not a toy. Keep it out of the reach of children.
- **Not microwave safe:** Do not use this product in the microwave.
- **Heat retention:** Although the exterior of the cup remains cool to the touch, the liquids inside may retain high temperatures. Drink with caution to avoid potential burns.
- **Hand wash only:** Not dishwasher safe. Hand washing ensures the preservation of the cup's quality and durability. Do not use abrasive cleaners, bleach, or harsh chemicals on the cups.

IMPORTANT: This product **IS NOT A TOY**. Keep it out of the reach of children

INSTRUCTIONS FOR USE

Product Use

For the best user experience, please follow the instructions below carefully along with our recommendations. This will ensure proper use and better care.

First Use

Wash the cups and spoons manually with warm water, using dish soap, and rinse thoroughly. It is recommended to avoid using excessively hot or boiling water during the rinsing process.

Ready for use

Once washed, the product will be ready for use.

MAINTENANCE AND CARE

Store in a dry place at room temperature, away from direct sunlight. Avoid exposure to extreme conditions. Always follow the manufacturer's specific instructions for proper use and care. Dispose of this product responsibly according to local regulations at the end of its life cycle. Following these recommendations helps maintain the quality and performance of your product for a longer period. If the product is handled by a minor, please ensure that an adult is present to avoid any harm.

Care When Cleaning and Using the Product

Follow this list of recommendations to ensure your product does not deteriorate prematurely. If you notice significant wear, such as extreme discoloration, yellowing in areas that should remain transparent, cracks, or fractures in the product, please replace it immediately.

To ensure the durability and good condition of your stainless steel coffee cups, follow these guidelines:

1. **Cleaning:**
 - Wash the cups only by hand with warm water and a mild detergent.
 - Use a non-abrasive sponge to avoid scratching the surface.
 - Rinse thoroughly to remove any soap residue.
2. **Drying:**
 - Dry them immediately with a soft cloth to avoid water stains.
 - Avoid leaving them wet or submerged in water for long periods, as this can affect the finish.
3. **Proper Use:**
 - Do not use the cups in the microwave, as stainless steel is not suitable for this use.
 - Do not place them in the freezer to avoid potential structural damage.
 - Avoid prolonged contact with highly acidic or salty liquids, as they may damage the stainless steel surface.
4. **Storage:**
 - Store the cups in a dry, well-ventilated place.
 - Do not stack the cups directly without a separator to avoid scratches.
5. **Additional Care:**
 - Do not use abrasive cleaners, bleach, or harsh chemicals on the cups.

By following these guidelines, your coffee cups will remain in excellent condition and retain their functionality for a longer period.
