--	--

SAFETY AND WARNINGS

- ⚠ To ensure the safe use of this product, please observe the following precautions and warnings:
- Choking Hazard:** This product is not a toy. Keep it out of reach of children.
 - Not Microwave Safe:** Do not use this product in a microwave.
 - Preparation Before Use:** Remove the cooling bag 5 minutes before use to facilitate bottle insertion.
 - Cleaning:** Hand wash only.
 - Not Dishwasher Safe:** Avoid using a dishwasher to preserve the product's quality and durability.

IMPORTANT: This product **IS NOT A TOY**. Keep it out of reach of children.

INSTRUCTIONS FOR USE

Product Usage

For the best user experience, carefully follow the instructions below and our recommendations. This will ensure proper use and better care of the product.

Step 1: Washing

Hand wash only to preserve its quality and durability. Not dishwasher safe.

Step 2: Place the Huniox bag in the freezer

Place the cooling bag flat in the freezer for at least 3 hours.

Step 3: Remove the cooling bag

	Remove the cooling bag from the freezer 5 minutes before use to ensure easy and comfortable bottle insertion.
--	---

Step 4: Velcro

	Junte el velcro de la bolsa enfriadora y colóquela dentro del enfriador.
---	--

Step 5: Join the Velcro on the cooling bag and place it inside the cooler.

	The maximum compatible bottle diameter for the bag inside the cooler is 19 cm. Once prepared, it will be ready to insert the bottle into the cooler and enjoy your drink.

Available colors: *HXCHILLOUT-B, *HXCHILLOUT-W, and *HXCHILLOUT-R.

MAINTENANCE AND CARE

Storage:

Store in a dry place at room temperature, away from direct sunlight. Avoid exposure to extreme conditions. Always follow the manufacturer's specific instructions for proper use and care. Dispose of this product responsibly according to local regulations when it reaches the end of its lifespan. Following these recommendations helps maintain the quality and performance of your product for a longer time. If handled by a child, ensure an adult is present to prevent potential harm.

Care During Cleaning and Use

Follow this list of recommendations to ensure your product does not deteriorate prematurely. If you notice significant wear, such as extreme discoloration, yellowing in areas that should be clear, cracks, or splits in the product, please replace it.

To ensure the durability and good condition of your stainless steel bottle cooler bucket, follow these recommendations:

1. Cleaning:

- Hand wash the cooler using warm water and mild detergent.
- Use a non-abrasive sponge to avoid scratching the surface.
- Rinse thoroughly to remove any soap residue.

2. Drying:

- Dry immediately after washing with a soft cloth to prevent water stains.
- Avoid leaving the cooler wet or submerged in water for long periods, as this could damage the stainless steel finish.

3. Proper Use:

- Do not use the cooler in microwaves or dishwashers.
- Avoid exposure to extreme temperatures, such as the freezer, to prevent deformation or structural damage.
- Avoid prolonged contact with highly acidic or salty liquids, as they may corrode the stainless steel surface.

4. Storage:

- Store the cooler in a dry, well-ventilated place.
- If not used for extended periods, ensure it is completely clean and dry before storing.

5. Additional Care:

- Do not use abrasive cleaning products, bleach, or harsh chemicals that may degrade the finish.

- To maintain its original shine, occasionally use a stainless steel-specific cleaner.

By following these guidelines, your bottle cooler bucket will remain in excellent condition, retaining its functionality and elegant appearance for a long time.

GENERAL SPECIFICATIONS

- **Name:** Huniox Chill Out
- **Brand:** Huniox
- **Model:** Huniox Chill Out
- **Included in the Box:** Stainless steel bottle cooler bucket, cooling bag and tongs
- **Dimensions:** 12 cm x 19 cm x 12 cm
