## INSTRUCTIONS FOR USE

### Product Use

For an enhanced user experience, carefully follow the usage instructions below and our recommendations. This will ensure proper use and better maintenance of the product.

### Screw in the Two Hooks

Screw the two hooks onto the Huniox Bath shelf by aligning them with the designated holes and securing them with the provided screws using a screwdriver. The hooks are covered with PVC sleeves to prevent scratches on the faucet and to enhance the stability of the basket. Once the hooks are firmly attached, the shelf is ready to be installed without the need for drilling. Available colors: \*HXBATH-B, \*HXBATH-W, and \*HXBATH-S.

## MAINTENANCE AND CARE

Store the product in a dry place at room temperature, away from direct sunlight. Avoid exposure to extreme conditions. Always follow the manufacturer's specific instructions for proper use and care. Dispose of this product responsibly in accordance with local regulations when it reaches the end of its lifespan. Adhering to these recommendations helps maintain the quality and performance of your product for a longer time. If the product is handled by a minor, ensure a responsible adult supervises to prevent injury.

To ensure the longevity and proper functionality of your product, follow these maintenance and care tips:

- Clean the shelf regularly with a damp cloth and mild soap to remove dirt and prevent buildup.
- Avoid using abrasive cleaning agents, bleach, or tools that could damage the surface or the PVC covers on the hooks.
- Periodically check the screws and hooks to ensure they are securely tightened and the shelf remains stable.
- Do not expose the product to excessive weight or harsh environmental conditions, as this may compromise its durability.
