MAINTENANCE AND CARE

Store in a dry place at room temperature, away from direct sunlight. Avoid exposure to extreme conditions. Always follow the manufacturer's specific instructions for proper use and care. Dispose of this product responsibly according to local regulations when it reaches the end of its useful life. Following these recommendations helps maintain the quality and performance of your product for a longer time. If the product is handled by a minor, please ensure that an adult is present to avoid injury.

Care for cleaning and using the product

Follow this list of recommendations to ensure your product does not deteriorate prematurely. If noticeable wear is observed, such as extreme discoloration, yellowing on parts that should be clear, cracks, or splits in the product, please replace it.

To ensure the durability and good condition of your stainless steel coffee mugs, follow these guidelines:

- 1. **Cleaning:**
 - Wash the cups by hand only with warm water and a mild detergent.
 - Use a non-abrasive sponge to avoid scratching the surface.
 - Rinse thoroughly to remove any soap residue.
- 2. **Drying:**
 - Dry them immediately with a soft cloth to avoid water stains.
 - Avoid leaving them damp or submerged in water for long periods, as this may affect the finish.
- 3. **Proper use:**
 - Do not use the cups in the microwave, as stainless steel is not suitable for this use.
 - Do not place them in the freezer to avoid potential structural damage.
 - Avoid prolonged contact with highly acidic or salty liquids, as they could damage the stainless steel surface.
- 4. **Storage:**
 - Store the cups in a dry, well-ventilated place.
 - Do not stack the cups directly without a separator to avoid scratches.
- 5. **Additional care:**
 - Do not use abrasive cleaners, bleach, or harsh chemicals on the cups.

By following these guidelines, your HuniOX Outdoor cups will remain in excellent condition and retain their functionality for longer.
