BEACH BAG

SAFETY AND WARNINGS

⚠ To ensure the safe use of this product, please follow these precautions and warnings.

⚠ MISUSE HAZARDS AND SAFETY RECOMMENDATIONS ⚠

⚠ **Attention!** This product is not a toy. ⛔ Keep out of reach of children to avoid choking hazards. ⚠

Improper use of the beach bag may affect its durability and functionality. To avoid damage and extend its lifespan, it is important to follow these recommendations:

⚠ **Do not fully submerge in water:** Although the material is waterproof, the closure is not airtight and the contents could get wet. 💧 ⛔

⚠ **Do not place hot or sharp objects:** 🔥 🔪 These can damage the EVA plastic material and compromise its strength.

⚠ **Avoid prolonged contact with harsh chemicals:** ☠️ 🧴 Substances such as spray sunscreens or insect repellents can deteriorate the transparency of the plastic and affect its structure.

⚠ **Do not use abrasive cleaning products:** 🧼 ✖ Avoid using bleach, ammonia, or solvents, as they may weaken and dull the

material. It is recommended to clean only with warm water and mild soap, using a soft cloth to prevent scratches.

⚠️ Avoid direct exposure to heat sources: 🌞🔥 Do not expose the bag to hairdryers, radiators, or intense sunlight for extended periods, as the plastic may deform or lose flexibility.

⚠️ Do not overload the bag: 📦🧑‍🦯 Excessive weight can prematurely wear out the seams and handles, reducing its lifespan.

✅ Follow these instructions to keep your bag in excellent condition and enjoy its durability for a long time.

INSTRUCTIONS FOR USE

PRODUCT USAGE

For a better user experience, carefully follow the usage instructions below along with our recommendations. This will help ensure proper use and better care of the product.

USAGE

Please follow the instructions in the Huniox Beach Bag user manual to ensure its durability and maintain it in optimal condition for a longer period.

MAINTENANCE AND CARE

Store in a dry place at room temperature, away from direct sunlight. Avoid exposure to extreme conditions. Always follow the manufacturer's specific instructions for proper use and care. Dispose of this product responsibly in accordance with local regulations once it reaches the end of its lifespan. Following these recommendations will help maintain the quality and performance of your product for a longer time. If the product is handled by a child, an adult should be present to supervise and prevent potential harm.

PRODUCT USAGE AND CARE

Follow this list of recommendations to ensure your product does not deteriorate prematurely:

1. Cleaning

- Clean with a damp cloth and mild soap.
- Do not use abrasive products, solvents, or bleach, as they may damage the material.
- For tough stains, use a soft sponge with warm water and soap.
- Do not use bleach, solvents, or abrasive products that may damage the texture.
- Do not machine wash or fully submerge in water.

2. Drying

- Air dry in a well-ventilated and shaded area.
- Do not expose directly to sunlight for extended periods, as it may damage the color and flexibility of the material.
- Do not use a dryer or apply direct heat.
- If exposed to salt or chlorinated water, rinse with fresh water before drying.

3. Proper Use

- Avoid overloading the bag to prevent deformation or tearing at the seams and handles.
- Do not expose to sharp objects that may puncture the material.
- If used at the beach, shake off sand gently before storing.

4. Storage

- Store in a cool, dry place to prevent moisture and deformation.
- Do not fold or crush to preserve its original shape.
- If not in use for an extended period, fill with paper or fabric to maintain its structure.

5. Additional Care

- Avoid prolonged contact with oils or corrosive chemicals that could damage the material.
- If wet with salt or chlorinated water, rinse with fresh water and allow to dry completely.
- Shake off sand or debris before storing to prevent buildup.

- Regularly check seams and closures to ensure they remain in good condition.
- For strong odors, air it out in an open space away from direct sunlight.

By following these guidelines, your Huniox Beach Bag will remain in excellent condition and retain its functionality for a longer time.

GENERAL SPECIFICATIONS

- **Name:** Huniox Beach Bag
- **Brand:** Huniox
- **Model:** Huniox Beach Bag – HUNIOXBEACHB, HUNIOXBEACHB- ST, HUNIOXBEACHB- OL
- **Included in the box:** 1 EVA and polyester bag
- **Dimensions:** Width: 56 cm | Height: 32 cm | Depth: 26 cm
- **Weight:** 695 g
- **Material:** 60% EVA, 40% Polyester
